Under the Scheme regarding organization of Milk Supply Unions sanctioned in GR.,DD.,No.791 d/- 29.12.49, provision has been made to loan the service of the technical staff consisting of a Manager and Dairy Inspector by Govt. The services of the staff is to be made available to the Milk Union, free of cost, in the first year, half-free in the second year and one-fourth free in the third year. In the GR dated 29.12.49, the cost on account of the deputation of the Manager @ Rs.150/- p.m. and of the Dairy Inspr. at Rs.125/- p.m. is shown at Rs.1,800 and Rs.1,500 respectively during the first year. The scheme does not specifically state that subsidy is to be granted to the Milk Union on account of this staff. But since, the Manager and Dairy Inspr. from the Co-op. Deptt. and the Agril. Deptt., respectively will be on deputation to the Union which will pay them during their deputation, FD may agree to grant the Union ~~on account of~~ subsidy of Rs.1,800 and Rs.1,500 on account of Manager and the Dairy Inspr. respectively, during the first year. The proposals made by the DD may therefore, be agreed to.

The amounts of subsidy on account of the Manager and Dairy Inspector may be limited to the amounts of their pay and leave & pension contributions payable by the Union to Govt. It is preferable to sanction subsidy on leave & pension contribution rather than forego recovery.

Submitted with reference to the o.m. of 24-3-53 on the 1-2 ante. The F.D. has agreed to our proposal for grant of a subsidy of Rs. 3300 to the Union on account of the appointment of its Manager and the Dairy Inspector. Attention is this connection may also be invited to the R.C.S. letter of 24-3-53 on p. 21/c. In the circumstances explained by the R.C.S. in his letter his proposal for grant of a loan of Rs. 11,250 and an additional subsidy of Rs. 8,325 to the Union, on the proposed terms and conditions may also be accepted. As stated by the R.C.S. in his letter at p. 25/c of 5-5-53, the expenditure on account of grant of loan is debitable to the budget head 'R-Loans and Advances' and would be met from the grants placed at the disposal of the R.C.S. under that head, during the current financial year. As no provision has been made in the current years budget under '42- Contn' for grant of subsidies to

the Milk Supply Unions, the expr. of about L. Rs. 12,625— on account of subsidy (Rs. 3300 and such additional amount— as would be recoverable from the Union on account of pension and leave salary contributions of Manager, poles Rs. 8725/- as indicated by the R.C.S. in his letter of 24-3-53) to the Union may be initially debited to the Contingency Fund which may be subsequently recouped by means of a supplementary demands. If— approved, the F.D. may be requested u.o. to agree.

2. In addition to the subsidy on account of the technical staff that may be made available to the Milk Supply Union, the DS has proposed the following assistance for it:

(a) A loan of Rs. 11,250 at 4% for 15 years +;

(b) Subsidy of Rs. 8,725 for purchase of motor vans & certain apparatus.

The total amount of loan & subsidy would thus

work out to 11,250/- and Rs.12,025 respectively.

3. It may, however, be pointed out here that the scheme for grant of Govt. assistance to the Milk Supply Unions was put up as a Section II new item for the current year's budget and has been rejected. Therefore, there is no provision for this purpose in the current year's budget. In view of this the DD proposal to sanction the proposed assistance cannot be accepted in this Deptt. If approved, that Deptt. may be informed accordingly.

4. Incidentally, it may be stated here that the DD should have communicated to the Jt. Regr. the decision of Govt. to drop the scheme during the current year. That Deptt. may be requested to do so now and also not to entertain such proposals until provision for the scheme is included in the budget.

Submitted with reference to the F.D. L.O. No. of 13-7-53 on the above and its D.S. note thereon. Attention is thus invited to the connected budget provisions proposed containing the by the R.C.S. for grant of subsidies to the Corp. Milk Supply Unions, during the current financial year. It will be seen therefrom that the F.D. had admitted a provision of Rs. 30,000/- for subsidies for being included in the current years budget and a Section II New item for Rs. 54,700 was proposed by the Deptt. to Settlement the provision already agreed to by the F.D. was the Secretaries' meeting, however, the total provision of Rs. 84,700/- (Rs. 30,000 agreed to by the FD + Rs. 54,000/- as indicated in the Section II New Item) for Subsidies to Milk Supply Unions, was omitted from the current years budget on account of the financial stringency.

2. Although the provision proposed by the R.C.S. for grant of subsidies to Corp. Milk Supply Unions was

was not admitted in the current years budget a provision of Rs. 30,000/- proposed by him for loans to the Unions has been included in the current years budget and it has also been placed at the R.C.S. disposal by the F.D. The scheme for organisation of the rural Unions has been included in the Five year plan and in view of the efforts which are being made by this Government to implement the schemes included in the plan, as far as possible, it would not perhaps be advisable to suspend the scheme during the current year, altogether, As no provision has been admitted in the current years budget for grant of subsidies to the Unions, the Deptt. may agree to the scheme being suspended in so far as the element of subsidy involved in the scheme, is concerned. The Comp. rural Unions which are prepared to implement their schemes with the loan amounts admissible under the G.R. No. 791, dt 29-12-49, may, however, be granted loans according,

The Hs relate to a proposal submitted by the R.C.S. for grant of a subsidy of Rs: 12,025/- to the Belgaum Distt. Coop. Milk Producers' Union Ltd., in connection with its milk supply scheme. The F.D. did not agree to the proposal, as no provision for grant of subsidies to the milk supply Unions, was admitted in the current years budget. The F.D. has also advised this Deptt., in its U.O. No. 4-5 dated 11-7-53, to suspend the scheme for organisation of Milk Supply Unions during the current year, in view of the fact that no provision for grant of subsidies to the Unions organised under the scheme, was admitted in the current years budget. The advice given by the F.D. was proposed to be accepted in this Deptt. 9/- was, however, proposed in the U.O. of 20-8-53 on Hs 6-8 ante, that the Coop. No.MSC.W.36/63. Poona the 20th Jany.53.

Please refer to Government Resolution,Development Department No.791 dated the 29th December 1949 sanctioning thereunder a scheme for organising Cooperative Milk Supply Unions.

2 The scheme provides for free services of a Manager on Rs.150/-p.m. and Dairy Inspector on Rs.125/-p.m. in the first year, and Half this cost in the second and onefourth in the third year. These posts have to be filled in either by deputation of departmental hands from both the Agricultural and this Department or by direct recruitment by the Union subject to approval of the Heads of the two Departments. The Cooperative Milk Supply Union at Belgaum registered on 17-6-52 has approached this office to make available the services of Manager and Dairy Inspector. I enclose copied of the reference received from the Milk Supply Union together with the recommendations of the eputy Registrar in the matter. He has suggested loaning the services of this departmental hand, Shri K.D.Khandare now working as Assistant Supervisor,Cooperative Societies,Belgaum, in the grade of Rs.100-8-140. Shri K.D.Khandare having worked as Assistant Cooperative officer and Assistant Supervisor, has acquired sufficient knowledge in the work of organisation, I concur with the Deputy Registrar's view that Shri Khandare would be a suitable person to hold the post of the Manager. Under the circumstances I suggest that Shri Khandare may be approved for appointment to the post of Manager in the first instance for a period of one year.

3. As regards the posting of Dairy Inspector I may point out that the Dairy Section of Agricultural Department is to depute the hand. Hence the name of the incumbent to the post and terms of his appointment would be indicated by the Agricultural Department through whom this proposal is being forwarded

22 JAN 1953

4 According to provison 1 of ~~xxi~~ clause 'b' of B.S.C.R.107 the contribution towards leave salary and pension is to be recovered whenever a Government servant is deputed for work on foreign service conditions. However in the case of Manager and Dairy Inspector, who are to be deputed to Milk Supply Union at Belgaum, which is aided by Government, the cost on account of pay and allowences is entirely borne by Government for the first year. Hence I propose that the recovery of pension and leave salary contirbution may be waived for the first year.

5 In order that the Cooperative Milk Union at Belgaum may start working early I request that Government may be moved to sanction ~~~~ of a Manager and Dairy Inspector on Rs.150/- and Rs.125/- respectively and to pass necessary orders in the matter early.

Forwarded with compliments to the Registrar,Coop. Societies,Poona.

2. The Belgaum Distfict Cooperative Milk Supply Union, Ltd., was registered by the Registrar under his No.P/D/692 dated 17-6-52.

3. The Union has not yet commenced its work as yet.The Union has to start its work with right earnest. To start ~~and utensilsxxT~~ with, the Union will require funds for purchasing equipments ~~forxfinancial assistance from~~ and utensils. The Union hasbeen asked to send its proposals for financial assistance from Govt.as per post War Reconstruction, Scheme No.63 sanctioned by Govt.under Govt. Resolution, Development Department, No.791 dated 29-12-1949. The proposals are awaited from the Union.

4. In order to commence the work with right earnest, the Union has approached the Department to spare the services of a Departmental hand to work as Manager of the Union. In the Govt.Resolution referred to above, provision has been made to loan the service or technical staff consisting of Manager and Dairy Inspector by the Cooperative and Agriculture Departments. The services of the above staff are to be made available to the Union free of cost in the first year,half free in the second year and one-fourth free in the third year.

5. The Union has proposed the name of Shri K.D.Khandare for the post of the Manager.Shri Khandare was taken in the department as Asstt. Cooperative Officer. After the reorganisation of the administrative set up of the Department, Shri Khandare is working as Supervisor of the Belgaum Taluka Cooperative Supervising Union, Ltd. Belgaum. He is now drawing his salary atRs67/- p.m. and his next increment in the grade of Rs.46-3-85 is due on 23.1.1953. Shri Khandare's work as Asstt. Coop.Officer was found to be quite satisfactory. Having gained experience as Asstt. Coop.Officer, he has acquired organising capacity. He is also sufficiently senior. He has agreed to work as Manager of the Milk Union provided he is given higher grade viz. Rs.100-8-140. The undersigned is of opinon that Shri Khandare would be more suitable fro the post of the Manager and therefore recommends that Shri Khandare's services may be loaned to the Union in the grade of Rs.100-8-140 in the first instance for a period of one year. In view of the fact that Shri Khandare is to be given a higher grade, no deputation allowance is recommended. Further, pension and leave salary contributions, if any, to be recovered from the Union on account of Shri Khandare may please be waived as the Union is in its infancy and not in a position to bear any additional expenditure. In the opinion of the undersigned, it seems that such contributions are not to be recovered from the Union as the service of the Manager at Rs.150/- per mensum are to be loaned free of cost in the first year.

6. In the circumstance stated above it is requested that early order may please be issued so as to enable the Union to start its work as early as possible.

The R.C.S. had submitted his original proposal during the last financial year and he had also pointed out the source from which he proposed to meet the expenditure on account of loan and subsidy, during that year. As there is no provision for grant of Subsidies to the Milk supply Unions in the budget estimates of 1953-54, the R.C.S. may be requested to point out the source from which he proposes to meet the expr. on account of grant of loan and subsidy to the Soey. during the current financial year. Submitted with reference to the D.O. of 4-5-53, p.1 ante, it will be seen from the R.C.S. letter of 20-1-53, p.13 ante, a copy of which has been received with his letter of 19-5-53, p.11 ante, that he had submitted proposal for grant of a subsidy of Rs. 3350/- to the Coop. Milk Producers' Supply Union at Belgaum towards the pay and allowances of a Manager and Dairy Inspector proposed to be appointed by the Union. The R.C.S. had also submitted a proposal in his letter dt. 24-3-53, p.5 ante for grant of a loan of Rs. 11,250/- and a subsidy of Rs. 9728/- to the Belgaum District Coop. Milk Supply Producers Union, in connection with the Milk Supply scheme. The R.C.S. had ~~in~~ pointed out in his letter of 24-3-53, p.5 ante the source from which he proposed to meet the expdr. on account of the grant of loan and subsidy, during the last financial year i.e. 1952-53.

2. As the proposals contained in the R.C.S. letters dt. 20-1-53, p.13 ante and 24-3-53, p.5 ante could not be considered by Govt. during the last financial year, they may now have to be considered by Government,

in the context of the budget provision made on their account during the current year. The R.C.S. proposes to grant a total loan of Rs. 11,250 and a total subsidy of Rs. 12,025 to the Belgaum District Corp. Milk Producers Union Ltd., Belgaum in connection with the Milk supply scheme. As the R.C.S. has stated in his letter dt. 5-5-53 that the expr. on account of the grant of loan to the Union could be accommodated within the grant placed at his disposal under C. R- Loans and Advances — class V — Misc Loans and Advances — Loans to Corp. Milk supply Unions during the current year, there does not seem to be any objection to the loan of Rs. 11,250/- being granted to the Society on the terms and conditions proposed by the R.C.S. in his letter dt. 24-3-53. It may, however, be stated in this connection that no provision has been admitted in the current years budget under C 42 - Co-operation for grant of subsidies to the Milk supply Unions and the proposal made by the R.C.S. for grant of a total subsidy of Rs. 12,025/- to the Union

Rs. 8725- mentioned in his letter dt. 24-3-53 + Rs. 3300 mentioned in his letter dt. 20-1-53

by sanctioning a supplementary grant — to that extent during the current L. year cannot, therefore, be affirmed. The fact that — ~~Govt.~~ no provision was admitted by Govt. in the current years budget — the grant of subsidies to Rural Supply Unions is sufficient proof of Government's intention to discontinue subsidies to the Unions during the current year, and the R.C.S. proposal to sanction the expr. by means of a supplementary grant does not, therefore, require any further consideration. In the circumstances, we can only consider the R.C.S. proposal for grant of a loan of Rs. 11,250/- to the Union. Before this is done, however, it appears necessary to ascertain from the Union whether it would be able to implement its Rural Supply scheme without any subsidy from Government. If the Union's reply to our query is in the affirmative, the question re: grant of loan to the Union may be considered further in this Deptt. If affirmed, the attached draft letter to the R.C.S. may issue.

No. MSC.W.36/63 of 1953. Poona-1: the 5th May, 1953.

Please refer to this office letter of even number, dated the 20th January 1953 and 24th March 1953, in connection with appointment of technical staff, and grant of financial assistance to the Belgaum District Co-operative Milk Producers Union Limited, Belgaum.

2. Necessary proposals for appointment of Dairy Inspector and Manager and grant of financial assistance were submitted by me during the last financial year under my letters quoted above. Since no Government orders were received during the last financial year no assistance could be extended to the Union. As a consequence the Union has not yet commenced working. Preliminary arrangements to procure milk vans cans boiling and testing apparatus could be made only after loan and subsidy is made available to it and expert hands deputed to make a beginning on sound lines. I would, therefore, request that Government may please be moved to pass very early orders in the matter.

3. As regards the source of expenditure I may indicate that so far as grant of loan is concerned, it would be met from the funds placed at my disposal under the head "R - Loans and Advances - Class V - Miscellaneous Loans and Advances - ~~Class V - Miscellaneous Loans and Advances~~ - Loans to Co-operative Milk Supply Unions", and as regards subsidy to the Union, I may point out that no provision has been sanctioned for meeting the expenditure, it will therefore

Please refer to Government Resolution, Develop--ment Department, No.791, dated the 29th December 1949, sanctioning thereunder a scheme for organising Co-operative Milk Supply Unions.

2. The Scheme provides for free services of a Manager on Rs.150/- per month and Dairy Inspector on Rs.125/- per month, in the first year and half of this cost in the second and one-fourth in the third year. These posts have to be filled in, either by deputation of departmental hands from both the Agricultural and this Department or by direct recruitment by the Union subject to approval of the Heads of the two Departments. The Co-operative Milk Supply Union at Belgaum registered on the 17th June 1952 has approached this office to make available the services of Manager and Dairy Inspector. I enclose copies of the reference received from the Milk Supply Union, together with the recommendations of the Deputy Registrar in the matter. He has suggested counting the services of this departmental hand, Shri K. D. Khandare, now working as Assistant Supervisor, Co-operative Societies, Belgaum, as Manager of the Belgaum Union, in the grade of Rs.100-8-140 per month. Shri K. D. Khandare having worked as A.C.O. and Assistant Supervisor, has acquired sufficient knowledge in the work of organisation. I concur with the Deputy Registrar's view that Shri Khandare would be a suit--able person to hold the post of the Manager. Under the circumstances, I suggest that Shri Khandare would be a suitable person to hold the post of the Manager. Under the circumstances, I suggest that Shri Khandare may be approved for appointment to the post of Manager in the first instance, for a period of one year.

3. As regards the posting of Dairy Inspector, I may point out that the Dairy Section of Agricultural Department is to depute the hand. Hence the name of the incumbent to the post and terms of his appointment would be indicated by the Agricultural Department through whom this proposal is being forwarded.

4. According to provision of clause 'b' of the B.C.S.R.107, the contribution towards leave salary and pension is to be recovered whenever a Government servant is deputed for work on foreign service conditions. However, in the case of Manager and Dairy Inspector, who are to be deputed to Milk Supply Union, at Belgaum, which is accorded by Government, the cost on account of pay and allowances is entirely borne by Government for the first year. Hence I propose that the recovery of pension and leave salary contribution may be waived for the first year.

5. In order that the Co-operative Milk Supply Union at Belgaum may start working early. I requestthat Government may be moved to sanction subsidy of Rs.1,800/- and Rs.1,500/- towards the pay and allowances of a Manager and Dairy Inspecto on Rs.150/- per month and Rs.125/- respectively and to pass necessary orders in the matter early.
